PERSONAL STATEMENT

I'm a 21 years old Network Enthusiast & Freelance Designer from Kathmandu University currently studying Bsc. in Computer Science. I love everything that has to do with Web design & development, Graphic design, Packaging, Industrial design and I feel a true devotion for networking and hardware related stuff.

I am a content creator on Youtube as well creating Ethical Hacking videos (Newbietech 12k+ Subs)

I have 4 years of experience working as a freelancer and am working on different projects (Green Blanket and Silk Group) and with Satyawati Technologies as a freelance designer, and have also travelled to Indonesia for internship specializing in Photography, Videography and Design. I love working with people, specially if they have the same passion I have, for what they do.
